

Keynsham Bowling Club

HOW TO FIND US AND WHERE TO PARK.

There is limited "on road" parking in central Keynsham, or indeed near the Club. There are however various "pay & display" car parks at very reasonable rates (currently just 60p for 4 hours) at The Park, Ashton Way, St John's Court and Fox and Hounds Lane. All are within a short walk of the Club.

From The Park continue on foot to the end of the lane, into Keynsham Memorial Park and the Club is on the right about a hundred yards ahead, with the entrance facing the tennis courts.

From Ashton Way or St John's Court walk down Charlton Road to the High Street. Turn right into the High Street and immediately cross at the bollards. Turning right after crossing the road you will find an alley to the left within 40 yards (opposite Boots the chemists) with a finger post signed for the Memorial Park. Follow the alley into the park and the Club is straight ahead. Follow our perimeter to the left for our entrance.

From the various Fox and Hounds car parks walk up the hill toward the town centre and High Street. The entrance to the Memorial Park is through the large commemorative gates. Walking through the park, uphill all the way, keep the children's play area on your left to find the Club in the far left hand corner of the park. Follow our perimeter round to the right to find our entrance, facing the tennis courts. Parking at the Fox and Hounds will entail some uphill walking to reach the Club and is not recommended for everyone. Drivers can drop off passengers in Back Lane, to enable them to walk on the flat to the end of the cul-de-sac and along the alley to the right into the Memorial Park.
